

**FEDERAL GOVERNMENT OF NIGERIA
FEDERAL MINISTRY OF WATER RESOURCES AND SANITATION**

**SUSTAINABLE POWER AND IRRIGATION FOR NIGERIA (SPIN) PROJECT
IDA Credit No: IDA-76370**

REQUEST FOR EXPRESSIONS OF INTEREST FOR CONSULTANCY SERVICES

**SUPERVISION OF REHABILITATION WORKS OF TIGA DAM PHASE II (IMPROVEMENT OF EMBANKMENT)
IN KANO STATE, NIGERIA**

Reference No: FMWR&S/SPIN/QCBS/CS/2025/021

The Federal Government of Nigeria on behalf of the Federal Ministry of Water Resources and Sanitation (FMWRS) has received financing from the World Bank toward the cost of implementing the Sustainable Power and Irrigation for Nigeria (SPIN) Project and intends to apply part of the funds to procure Consultancy Services for the Supervision of Rehabilitation works of Tiga Dam Phase II (Improvement of Embankment) in Kano State, Nigeria.

The consulting services (“the Services”) include providing international-standard Engineering Supervision of the Phase 2 remedial works on Tiga Dam in Kano State Nigeria. The assignment is aimed at enhancing the Dam safety, standards including the appurtenant structures as per the detailed designs, bidding documents, construction plans, implementation schedules, etc. The implementation period is for 18 months.

The detailed Terms of Reference (TOR) for the *assignment can be found at the following*

The Federal Ministry of Water Resources and Sanitation through its Federal Project Management Unit (FPMU) of the Sustainable Power and Irrigation for Nigeria (SPIN) project now invites eligible Consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

- i. The firm shall be in the business of providing engineering consultancy services related to infrastructure for at least 15 years.

ii. The firm must demonstrate successful supervision of concrete dam construction, rehabilitation, or remedial works, especially embankment stabilization and hydraulic structures and familiarity with instrumentation and monitoring systems for dam safety.

iii. The firm shall demonstrate its technical and managerial capabilities in supervision of infrastructure projects

Key Experts will not be evaluated at the shortlisting stage.

The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" February, 2025 ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.

Consultants may associate with other firms to enhance their qualifications but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected. Evidence of such association must be provided in the Expression of Interest

Consultants will be selected in accordance with the Quality and Cost Based Selection (QCBS) method set out in the Procurement Regulations.

Further information can be obtained at the address below during office hours 9:00 am and 4:00 pm (Local time) Monday to Friday

Expressions of interest must be delivered in a written form to the address below (in person, or by mail, or by e-mail) by **17th November, 2025**.
